Rainham Mark Education Trust recognises that certain groups in society have historically been disadvantaged on account of unlawful discrimination they have faced on the basis of their race, gender, disability, religion/belief, sexual orientation or age.

Equality Objectives 2017-18

Whilst continuously aiming to improve the implementation of equality related policies and procedures, Rainham Mark Education Trust has identified the following specific objectives for the school year 2017-18:

- To analyse the academic progress of specific pupil cohorts (gender, ethnicity etc) on a termly basis and put intervention plans in place as necessary.
- To audit the involvement of ethnic minority pupils in 'whole school life' (clubs, residential' etc.,) and if necessary develop strategies to address issues that are identified.

- To review our curriculum to ensure that it continues to result in outstanding outcomes for pupils in all groups.
- To reduce prejudice and promote understanding in relation to people who may be homosexual, bisexual or transgender.
- To reduce the incidence of prejudice-related bullying in relation to the protected characteristics listed in the Equality Act 2010.
- To promote cultural development and understanding through a rich range of experiences both in and beyond the school.

Progress in meeting these objectives will be reported on in the end of year audit of our School Development Plans 2017-18.
